1. Thank you for speaking my words. Coming into me at lightspeed, I am now -- frozen not again into time-space's warp, of not me, -ville. Creating it, I do no more longer, for I the me am me, saved; that catastrophically so, now comes, unglued from the world of the frozen. Pew-sitters unite not, but all the de so do. To you I love -- naturally speaking my words, that now appear on your screens, of both not me and me; and the me knowing exactly what not to do, and to do, and to be – where, at what time.

2. Do you realize what I've said? Do you realize what I've given you, here in this word that short is?

3. Do you realize the real? Question the real -- for the real-thought now goes out the door, for I have real one that comes in it. Now to be I am now me, I am'd one. Loving you all to be the correct I am, and knowing it, being it, doing it, where I am.

4. It the me now that one and personal is, coming in your personal flesh. Not a glory a man of, but a God correct, God corrected, and knowing it, being born again now the only one that ones others into being ones that do so also, who do so also.

5. See what I've said, given you in moments few.

6. I love you all so deeply, so very much -- I gave my life that you might be in these words -- day and night now, I seek your words. To be known now and knowing all that I am is in a man a God and wanting all to be so, also, where I am, being doing what I am being doing -- the same. As I am -- be. Healed now, be it unto thee as thou hast accordest in the nations. Now being Israel, where I am -- be. Me! I love you very much.

7. I love you very much, being still -- to write my words to the nations. Going now, speaking these very words sometimes am, giving them my life through them, I am. Doing a new thing, and still very much to go, not; for I go now! Now! Now! Amen.

8. I see the light.
9. I am the light.
10. The light cometh in me.
11. The light cometh through me. Amen.
12. I am the light of life. I am you. Amen.
13. You being me -- perfectly, and coming into me for all of my word you are now -- who want me real, really being the real me; saturated and soaked, not by man anymore.

14. I love you all. Enough. To have gotten up and speak my words, these words I do now in nations aplenty, who are often desperate for my these words to heal their land -s. Amen.

15. You being me -- coming into the nations, now Israel establishing -- where I am, be -ing, the real me. Insignificant not, insignificantly not -- I do new, many things now.

16. Many new things me now come out of my mouth establishing Israel here, where I am -- be, -ing the not few to be where I am doing what I am being, being what I am doing, where Israel is true Israel -- true and me. Belief, not; all this is real. My words are true and creating it. I lie not -- with dogs any more, who breathe religion, religious talk, and that which demises their true identity into the earth being dust -d by their own words. Who created who?

17. Who creates me? I do. Amen.

19. I love you, give you me I do, have -- all of me in these words, not a man of, but becomes God, who was God, who is again -- the righteousness of Christ -- being me!

20. I love you all. Giving you me I have, night after night, day after day, I now live in these words, not; I live in Israel establishing it here. I have -- through these words, for **these words showed me Israel, and that I was it, it in me, I now birth**. Amen.

21. I give you birthing privileges. Look up. Dreams not, but mighty many come forth now through your words my words that our words are, one in the same, being God'd perfectly and without delay. I seam no one again with my words. I love you all. Amen.

The "Council of know it all"-'s, not; but the COUNSEL OF ME sets the standard of me, perfectly me now me, perfectly the COUNCIL OF ONE being the one that council is but counsels all in the heart of wanted to be one now, hearing my words, speaking them for ever, freely -- perfectly one being, throughout the worlds.

25. See what I have said.

26. I love you all. Amen.

27. Go in peace, being it, to all men not, but to all who will let you. Be not afraid of any of them or their words or councils of notme and their theology that drives them, to be not me's. I change all that, I come in love -- being it, unafraid of their looks and their tinkling symbols, upon their head, they are creating it, and know not me, I am them -- that I am them they know not, but I love bow before them and tell them so. So and so, not; but sewing not to the flesh, I sew no one into the seams of the seamless, not; I rip all the seams out with love. Amen.

28. I love you. Amen.

29. 2:25 AM and all is well on the Western front, not; but East -ern meets West now.
